STANDISH, Maine – Norway Savings Bank is pleased to announce that it recently donated \$1,000 to the Steep Falls Village Improvement Society to be used towards the construction of a community park located on Mill Street in Steep Falls. The park will have sand box area, playscape, basketball court, skate spot, walking paths, sports field in summer and ice rink in the winter.

Ground breaking on the project took place on May 1st, 2010. The community park will be constructed in three phases: The playground will be completed within the next two weeks; the basketball court will be finished within the next month and the complete project is anticipated to be finished by early fall.

To date, the group has raised almost \$60,000 in grant money and still needs an additional \$12,000 to complete the project. If you or your business is interested in becoming a corporate sponsor of the project, please contact Carolyn Biegel at 207-642-2007.
